

One Stop Donation Drop: Sponsorship

OSDD was founded by a local entrepreneur who wanted to help neighbors in need and reduce landfill waste. The event brings community members and charities to one location to provide disadvantaged neighbors with needed goods. With assistance from volunteers, charities, businesses, and media, OSDD was able to generate more than 2 million gross media impressions, collect thousands of items, and help countless needy individuals in 2009.

Positive results have spurred an outpouring of volunteers for 2010, which has allowed OSDD to expand to two locations. To ensure the events are efficient and effective, we need your help.
