

# One Stop Donation Drop

*Helping Unwanted Items Reach Wanting Hands*

Is your home full of unwanted items just waiting to reach the hands of those in need?

Bring your gently-used toys, books, clothing, household items and more to the One Stop Donation Drop, where you can donate goods to multiple charities at once.

Events are April 17, 10 a.m.– 2 p.m. in Scranton and Clarks Summit. Bring your donations along with either a non-perishable food item (for local food pantries) or \$5 per carload (to help offset event costs) .

Give your spring cleaning a cause, volunteer at the event, or become a sponsor. For more information and to view a charity Wish List of requested items, visit [www.donationdrop.org](http://www.donationdrop.org).
